### GENERAL UNIFORM REMINDERS

#### Hair Accessories and styles

Long hair should be tied back for school for health and safety reasons. Plain hair bands and bobbles should be worn to school. Large bows and colourful hairbands are not suitable. We would also ask that hair is neat and tidy and not in an extreme style (no shaved in lines or patterns).

#### Uniform and PE kit

PE kits should be in school colours (sky blue t-shirt, navy jogging bottoms and maroon hoody). Please note that children should wear flat, black, polishable shoes for school, not boots or trainers. Trainers should only be worn on their PE days. ***Please make sure that any item of clothing brought in to school is labelled with your child's name - this makes it much easier to find any lost items.***

## PARENT LED FUNDRAISING BAKE SALE

At the end of the school day on Thursday 10<sup>th</sup> April we will be hosting a charity bake sale in aid of Compton Care by the main school entrance. This is to help with the fundraising myself and my sister Grace are doing ahead of running the London Marathon. I am a firefighter and my sister is a police officer and this year we are running the marathon in our work uniforms, Grace is even attempting the Guinness world record for a female police officer in uniform.

We have chosen to run in aid of Compton Care after the outstanding care, support and compassion in all that they do there for the patients, relatives and friends during and after time spent at Compton. Their services were incredible for our own family in supporting our Nan and more recently friends Carol and Neil. Any funds raised will not be a patch on the thanks that could be given but will go a long way in giving back into their service.

Donations at the bake sale can be made by cash, card or even text. All items will be £1 with all proceeds going to Compton Care. There will also be vegan and halal options.

**Should stadiums be used for more than just football?**

## In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

### Things to talk about at home ...

- > What is the closest football stadium to where you live? Is it ever used for things other than football?
- > Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- > Share your thoughts on the new stadium. Do you think it is a good idea?

**Please note any interesting thoughts or comments**
