Weekly News - 17th January 2025

Assembly Theme week commencing 20th January: Martin Luther King Jr Day

FOOD BROUGHT INTO SCHOOL

Please be mindful that we have a number of children with severe nut allergies - for this reason we are a nut free school. Any food containing nuts of any kind, even Nutella, should not be brought into school.

Although it is always nice to celebrate a child's birthday in school, could we please ask parents not to send in cakes or other food items as we have a number of children with food allergies/diet requirements. We have always allowed sealed packets of sweets to be brought in for children to take home with them and will continue to allow this as ingredients can be checked by parents.

Thank you for your continued co-operation.

UNIFORM DONATIONS

We are unable to accept any further uniform donations for the time being as we are now fully stocked ready for our next pre-loved uniform shop. Thank you to the parents who have donated. We will let you know when we are accepting uniform donations again.

attendance

The Governing Body of Spring Vale Primary School are keen to maintain the school's very good attendance record. Our policy for leave of absence taken during term time is in line with Local and National guidelines. Current legislation states that any application for leave of absence (days away from school) must be in exceptional circumstances and must be approved by the Headteacher **in advance** of the leave being taken. The current law does **not allow** parents to take their child(ren) out of school during term time and any leave of absence requests will be unauthorised. **Parents will be fined for taking their child(ren) out of school during term time without consent from the school.**

Getting your child to school really matters. Did you know...

SCHOOL PHOTOGRAPHER (NEW STARTERS/ABSENTEES)

The school photographer will be in school on Tuesday 28th January. **Please note this is only for children who were absent and new starters from the last visit.**

MEDICINES in SCHOOL

The office staff are happy to give medicine (during school hours) to children who are well enough to be in school. This includes prescription medicines, over the counter medications and emergency medication. Parents/guardians **must** complete a medicine consent form giving us permission to administer the medication. All medication brought into school **must** be in it's original packaging with clear instructions of dosage and timings. We will not accept medication that is not in the original packaging or has been prescribed for someone else. Medication should be handed to and collected from the office staff by an adult at the start and end of each day.

TAKEHOME

13th - 19th January

Should you be allowed to build homes anywhere?

In the news this week

UK Prime Minister, Sir Keir Starmer, has stated that building new homes is a 'top priority.' The government has announced changes to planning rules, aiming to make it easier to build homes in the countryside. Local areas have been set targets to deliver a total of 370,000 new homes each year in England.

Things to talk about at home ...

- > What type of home do you live in? What are the advantages of where you live? Is there anything you find difficult about it?
- > Talk about the area around your home. What facilities are there?
- > Ask an adult whether they know of the nearest 'green belt' areas close to where you live.
