Spring Vale Primary Weekly News – 20th May 2022

Meet the Teacher – Change of day

Please note the date has changed for children to meet their new teacher. The date will now be Friday 8th July, **not** 15th July as previously notified. After half term, I will be in a position to let you know who the class teachers will be.

Transition for September

During the next half term:-

- Reception children will be introduced to the Key Stage 1 playground ready for when they are in Year 1 in September.
- Year 2 will have some playtimes on the Year 3 playground

This will enable all children to familiarise themselves with the bigger spaces and the children who they will share the playgrounds with.

Cars on the school site

The school car park is for staff, Governors and visitors to the school only. If you are dropping children off at breakfast club or collecting from an after school club, you should park outside of school and walk up on the designated pathways. Parents should not drive onto the school site **at any time**.

MAY HALF TERM

Reminder that children break up for half term on Thursday 26th May. Friday 27th May will be our final staff training day for this academic year. All children will return to school on Monday 6th June.
