TEXT MESSAGING

The best way for school to communicate with parents is via the text messaging service, Teachers2Parents. It is important that we have up to date mobile phone numbers for parents as we sometimes need to send an urgent text. You do not need the Teachers2parents app to be able to receive the text messages. If you do have the app, please delete it so that our messages will come through as a normal text.

WOLVES FOUNDATION FOOD PARCELS

The Wolves Foundation will be delivering food parcels to school on Thursday, in time for the half term holiday. These food parcels are initially for families who are eligible for income based free school meals. However, if we have any families who are not currently eligible but would benefit from a food parcel, please contact the school office.

Food parcels usually include:-
