

#### SCHOOL CAR PARK

As part of our ongoing commitment to ensuring the safety of all children, parents, visitors and staff, please remember that the school car park should be treated the same as a road. To maintain a safe environment, we kindly ask parents/carers to adhere to the following guidelines when walking on the school site:-

- ⚠ **Use designated footpaths/crossings** - please ensure that you and your children stay on the marked footpaths to avoid walking in vehicular areas and use the crossings to cross safely. Crossing points ensure that you are visible to drivers.
- ⚠ **Avoid walking through the car park** - For your safety, do not cut across parking spaces or driving areas.
- ⚠ **Be vigilant and hold children's hands** - Keep an eye on children and hold their hands when on the school site.
- ⚠ **Respect Traffic Flow** - Be aware of moving vehicles and ensure children do not run in the car park area.

## Is it important to feel proud of where you come from?

## In the news this week

The Times newspaper recently asked young people, aged between 18 and 27 (also known as 'Gen Z'), what they thought about their lives and life in the UK. The survey showed lots of views, including that 4 out of 10 young people are proud to be British, and around half feel that people in the UK are accepting and welcoming towards others.
