Assembly Theme week commencing 25th February: Ramadan

FREDDO FRIDAY!

Thanks so much to all of you who supported Freddo Friday! Attendance today was significantly better than the other two Fridays we have had when breaking up for a holiday this academic year. I've never seen children so excited about getting the smallest chocolate bar in existence! Big thank you to Mrs Wynne for sourcing nearly 500 Freddos! We've possibly created a world Freddo shortage...

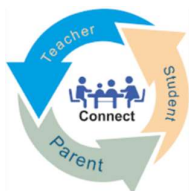

HALF TERM/INSET TRAINING DAY

Reminder that children break up today for half term and return to school on Tuesday 25th February. School is closed for children on Monday 24th February. The term dates for the remainder of this academic year can be found here: <https://tinyurl.com/5bu7rwr7>

PARENTS EVENINGS

We have had a record number of parents attending parents evenings this week (95%). We are aware that some parents have appointments arranged for after half term. If you didn't manage to speak with teachers this week, you can arrange a mutually convenient time after half term. I would like to thank you for your continued support.

TOGETHER EVERYONE ACHIEVING MORE

Thank you for your support with the NSPCC number day. We raised a grand total of

£295.14

attendance

Our headline news for attendance is that we are sitting above national. Published attendance is from children who are in Years 1 - 6. National attendance is currently 94.8% and Spring Vale attendance is 95.4% putting us 0.6% above the national. We do however have 14.6% (54 pupils) of children that have missed 10% or more of school. After half term we will be working with a number of families who are persistently absent and those who are just above 90% to ensure children come out of this category or don't fall into it. Attendance at Spring Vale is the best in the Lykos Trust. A special mention to our Reception and Nursery classes where attendance is significantly above national expectations for children of these age groups.

COUGHS/COLDS

We understand that during the winter months, many children will have mild coughs and colds. However, unless your child is feeling seriously unwell, it is important for them to continue attending school if they are well enough to do so.

The office staff are happy to give medicine (during school hours) to children who are well enough to be in school. This includes prescription medicines, over the counter medications and emergency medication. Parents/guardians **must** complete a medicine consent form giving us permission to administer the medication. All medication brought into school **must** be in it's original packaging with clear instructions of dosage and timings. We are not able to accept medication that is not in the original packaging or has been prescribed for someone else. Medication should be handed to and collected from the office staff by an adult at the start and end of each day.

PARKING

We have received some complaints from residents again about inconsiderate parking. Please park considerately when dropping off/collecting children, do not block residents drives and especially don't park anywhere it makes it dangerous for children and adults to cross the road, this includes on the yellow lines. You also need to check you have left enough room for an emergency vehicle (ambulance, fire engine etc) to get through. Anyone collecting a child by car must never park on the zigzag road markings. This is a road traffic offence and you will receive a fine. The zigzags are there to keep children safe. I have contacted the Local Authority who will send traffic wardens to carry out random spot checks and they will issue fines.

COMIC RELIEF

Red Nose Day is on **Friday 21st March**. We will let you know the theme for the day after half term. We will also be selling red noses in school from Tuesday 25th February. They will be priced at £2 each.

Miss Edwards will begin her maternity leave after half term. I'm sure everyone wishes her all the best. The baby is due in March and we will inform you of any baby news as soon as we know.

Yo! Young Opportunities - is about creating more opportunities for young people.

One of our priorities as a city is for Wolverhampton's young people to have the best possible start to life. Building their confidence, creating opportunities and giving them the tools they need to succeed. Most importantly, encouraging them to 'never give up!'.

Local people of all ages tell us we need more opportunities for our children and young people, they've told us being healthy, connected and involved are what matter to them.

Should we be allowed to travel anywhere we like?

In the news this week

The Nepalese government has announced that, from September, climbers aiming for the world's highest mountain will have to pay just over £12,000 (\$15,000) during the main climbing season. This is over \$4,000 more than the previous permit fee for climbing Mount Everest. There have been concerns that there are too many people climbing the mountain, leaving rubbish and not respecting nature. It is hoped the extra money will go towards protecting the area from tourists.

Things to talk about at home ...

- > Why do you think so many people want to climb Mount Everest? Can you imagine what it feels like to reach the summit?
- > Can you recall some of the places you have visited as a tourist? These could be close to where you live, or further away. Talk to someone at home – where have they visited?
- > What do you think are the advantages and disadvantages of tourism?
