

A VIKING INVASION!

In Literacy we are studying:

Reading: Inferring information from a text.

- Myths and Legends - Narrative
- Instructions
- Non-Chronological reports
- Letters

In Science we are studying...

Animals including humans

- We will be investigating:
- Classification of animals
- Effects of change on habitats and the environment
- Teeth and digestion in humans

In Maths we are studying:

Number, place value and rounding

Mental/written addition and subtraction

Multiplication and division

Fractions

Measures

Note: It is really important for children to practise multiplication and division tables at home as much as possible. By the time they leave Year 4, most children should be able to recall the facts up to 12 x 12.

In other subject areas we are studying:
