DROP OFF REMINDER

To help our children settle quickly into their day, we kindly ask that parents leave the school grounds promptly after children have been safely dropped off to their classrooms. Some children, particularly in nursery, become unsettled if they can see their parents/carers through the window. Could we also ask that, any parent wishing to speak with the teacher at the end of the day, wait until all of the children have been safely dismissed. This may mean that parents have to wait for 5 - 10 minutes but I'm sure you understand that the safety of our children is of paramount importance. Thank you once again for your understand and co-operation.
