

Spring Vale Primary

Weekly News – 12th July 2021

As you may know, I am a huge football fan, having played for teams as a child right up until my mid 30's. I have also had the pleasure to support England across the world. Sport is vital

to our success at Spring Vale and fits perfectly with TEAM (Together Everyone Achieving More). We would like to have a "Where were you?" display. If you get a chance, please send a photograph of your child(ren) before or during the final which we can use to make a whole school display. We very much hope that you will enjoy the match. On Monday 12th July we will be extending our register and children should arrive in school before 9.30 am. They can be taken directly to their classroom door anytime between 8.30 am and 9.30 am. Breakfast club will not be affected.

I'm whispering it... It's coming....

Pay360 (Formerly SIMS Pay)

SIMS Pay is changing names - its new name is Pay360 Education Payments. As of 26th July 2021, SIMS Pay will be known as Pay360 Education Payments. But don't worry, it is still the same product, functionality and service you know.

What does this mean for my school?

Pay360 Education Payments is the new name for SIMS Pay. The product features and its functionality will remain the same. When you log into the system, you'll notice the Pay360 logo in place of the SIMS logo and the new name - Pay360 Education Payments, is used throughout.

From 26th July, please use this new link to log in: pay360educationpayments.com

The way you make payments will remain the same - you'll just notice a different logo (Pay360 by Capita) on the login page and in the portal.

- The link to log in will be updated to pay360educationpayments.com.
- When you make a payment, you'll notice the details on your card statement will show as 'Pay360*school_name' (rather than 'Capita*school_name').
- We would recommend that you add the new email address noreply@pay360educationpayments.com to your contacts/whitelist to ensure the emails are not marked as spam.
