Together with friends, families and community we care for ourselves, each other, our school and our world.

Everyone has access to a broad, balanced and stimulating curriculum, whatever their gender, race, ethnicity or ability.

Achieving our best is what we aim for every day we come to school.

More independence makes better learners and helps us to become good citizens.

Admissions to our School - September 2024

Spring Vale Primary School is a community school under the control of Wolverhampton Local Authority (LA) and it has no affiliation to any religious denomination. The school follows the LA Admissions Policy and the LA Agreed Syllabus for Religious Education. Membership of any specific religious group does not exclude a child from admission to this school. All children who live in the neighbourhood around Spring Vale, or who have brothers or sisters already attending Spring Vale Primary School, are able to attend our school if there are sufficient places available.

Foundation Stage Unit Admissions

Our Nursery and Reception children are taught in our Foundation Stage Unit, which has a base for nursery and a base for reception children. We admit Nursery children for half day sessions, either morning or afternoon, and have 20 children to each session. We also admit up to 60 children into the Reception class.

Nursery children are admitted as soon after their third birthday as places become available. This is normally in September and January of each year.

Reception All children are admitted to school in September. Children who have their fifth birthday between 1st September and 31st August will be admitted at the start of the Autumn term in September.

Key Stage 1 & 2 Admissions

Key Stage 1: In Year 1 and 2 our admission limit is 60.

In Year 3, 4 and 5 our admission limit is 60. In Years 4, 5 and 6 our admission limit is currently 30 per class. This is due to a staggered expansion project taking the school to two form entry by 2026.
