Anti-Bullying Policy 2023-2024

Together
Everyone
Achieving
More

Together with friends, families and community we care for ourselves, each other, our school and our world.

Everyone has access to a broad, balanced and stimulating curriculum, whatever their gender, race, ethnicity or ability.

Achieving our best is what we aim for every day we come to school.

More independence makes better learners and helps us to become good citizens.

Rationale – June 2023

The aim of the anti-bullying policy is to ensure that pupils learn in a supportive, caring and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. Only when all issues of bullying are addressed will pupils be able to fully benefit from the opportunities available at schools.

Bullying is defined as deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those being bullied to defend themselves. The three main types of bullying are:

- physical (hitting, kicking, theft)
- verbal (name calling, racist remarks)
- indirect (spreading rumours, excluding someone from social groups)

Pupils who are being bullied may show changes in behaviour, such as becoming shy and nervous, feigning illness, taking unusual absences or clinging to adults. There may be evidence of changes in work patterns, lacking concentration or truanting from school. Pupils must be encouraged to report bullying in schools.

Schools' teaching and ancillary staff must be alert to the signs of bullying and act promptly and firmly against it in accordance with school policy.

Statutory duty of schools

Head teachers have a legal duty under the School Standards and Framework Act 1998 to draw up procedures to prevent bullying among pupils and to bring these procedures to the attention of staff, parents and pupils.

Implementation

Schools

The following steps may be taken when dealing with incidents of bullying:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached
- A clear account of the incident will be recorded and given to the head teacher
- The head teacher will interview all concerned and will record the incident
- Teachers will be kept informed and if bullying persists will advise other teaching and support staff

- Parents will be kept informed
- Punitive measures will be used as appropriate and in consultation with all parties concerned

Pupils

Pupils who have been bullied will be supported by:

- offering an immediate opportunity to discuss the experience with a class teacher or member of staff of their choice
- reassuring the pupil
- offering continuous support
- restoring self-esteem and confidence

Pupils who have bullied will be helped by:

- discussing what happened
- discovering why the pupil became involved
- establishing the wrong doing and need to change
- informing parents or guardians to help change the attitude of the pupil

The following disciplinary steps can be taken:

- official warnings to cease offending
- supervised detention during the school day
- exclusion from certain aspects of school life
- temporary exclusion
- permanent exclusion

Within the curriculum the school will raise the awareness of bullying through PSHE, Annual Anti-Bullying Week, the employment of a skilled pastoral care member of staff (Jade Woodstock- BAMS worker), assemblies and subject areas, as appropriate, in an attempt to eradicate such behaviour.

Monitoring, evaluation and review

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.
