

15 December 2021

Dear Reception Parents

We are now ready for you to watch the world premiere of our Nativity Singalong! Reception have worked really hard to produce this video in exceptional circumstances of staff and children isolating over the last 3 weeks. They are such a wonderful year group and we were determined that they should sing the songs they have worked so hard to learn. Last minute, we had to enlist the help of Y6 readers due to the numbers of Reception children missing.

Sit back, relax and enjoy the amazing children of Buttercups and Daisy classes.

Steps to find the video:-

You can either click on this link:

<https://www.springvaleprimary.co.uk/news>

or you can find it on the website under remote learning – news. It should appear at the top of the list alongside the Year 5/6 carol concert.

Yours sincerely

Mr C Blunt
Headteacher
