The Sports Premium

# Sports Premium

## Spend 2015/2016

### Allocation

£9000 per school + £5 per child (210 full time children) Total = £10,050

### Principles and Impact

- We aim to provide high quality sports teaching for all full time pupils at Spring Vale Primary School. As a school we have used the sports premium money to provide all teachers with continuing professional development (CPD). This is done through team teaching and planning with highly qualified sports professionals. We will also provide sporting opportunities during lunch times and after school which will complement the provision we currently offer. The sports premium will also allow us to enter more children into competitions both within school and against other schools. Constant and consistent assessment of the impact of the sports premium will take place by the Head teacher and the PE co-ordinator.

### Provision

- Reception Soccer 2000

Monday 9:15-10:15 = £29 x 39 weeks = £1131

- Gym and Dance with Miss L Kelby – Y1/Y2/Y3/Y4/Y5/Y6 + 2 after school clubs per week

Friday 9:15-3:15 Monday and Tuesday pm = £120 x 39 weeks = £4600

Team teaching and planning with teaching staff

- Sports Plus – Y5/Y6

Monday 1:15-3:15 = £100 x 39 weeks = £3900

Team teaching and planning with teaching staff

This will include inter school competitions and external competitions organised on a regular basis

- Swimming – Y6/Y5/Y4

Fridays 10:30-11:30 = £80 x 39 = £3120

High quality swimming lessons working towards children swimming 25m by the end of KS2. Use the staff and facilities of a local secondary school (Colton Hills)

All children in school will be offered at least three after school clubs per year through the sports premium could include street dance (half term) – multi skills (half term) – gymnastics (half term) Change 4 life (half term/yearly for change for life leaders) Soccer 2000 (subsidised by school – yearly)

Total Spend = £12,751

We have also released teachers to speak with the professional coaches in order to impact on planning and the delivery of these sessions. This spend will impact on all children in the school.
