

A VIKING INVASION!

In Literacy we are studying:

Reading: Inferring information from a text.

- Newspaper reports
- Information leaflets
- Non-Chronological reports
- Balanced arguments

In Science we are studying...

Animals including humans

- We will be investigating:
- Classification of animals
- Effects of change on habitats and the environment
- Teeth and digestion in humans

In Maths we are studying:

Number, place value and rounding

Mental/written addition and subtraction

Multiplication and division

Data handling

Measures

Note: It is really important for children to practise multiplication and division tables at home as much as possible. By the time they leave Year 4, most children should be able to recall the facts up to 12 x 12.

In other subject areas we are studying:

P.E Gymnastics / Games

R.E Inspirational Leaders

PSHE "Me in my world" / "Dreams and Goals"

Art/D.T Creating Storybooks

Music: Compose music for a range of purposes

Computing – Programming. In Year 4 this is done through The Wolverhampton Music School

Wider Opportunities Outreach

Topic Invaders and Settlers

Our class text this term is:

We will be reading 'How to Train Your Dragon' and 'Harry Potter and The Philosopher's Stone'
