Covid-19

You may be aware that positive cases in Wolverhampton are on the rise. Please be aware that we may need to cancel parents being invited in to school for Christmas events at short notice. We have to adhere to whatever guidance is given to us from Public Health and the Local Authority.

We will continue to let you know as parents if there has been a positive case within a year group (member of staff/child). You will receive this as a text message. If you receive a message, as long as your child is well, they can continue to come to school as normal. However, we would ask parents to take a slightly more cautious approach when your child is unwell. This may involve testing them before they come to school.

Winter Coats

Now that winter is here, please send children to school with suitable winter coats, hats, scarves, gloves etc. Even when the weather is cold, we still go outside at playtimes and lunchtimes. Please ensure your child's name is on all clothing brought in to school - it is very difficult for us to find lost items of clothing if there is no name in them!

Does your Child need a Coat for the Winter Season, or do you know a family in need of coats?

We are a **FREE** service

We are urgently seeking families with children or services working directly with families whom may benefit from our project.

Whether a family have fell on hard times, maybe a parent has been furloughed due to Covid or a family that may be struggling, or escaping domestic violence. Whatever the need, all are welcome to receive a free donated kid's coat/s. No referral or voucher needed. Just get in touch with your details. Anyone can email coatsforkidswolves@outlook.com or direct message us on our Facebook group **Coats for Kids Wolves**.

We work to Covid regulations as suggested by Public Health, all coats received are quarantined for at least 72 hours before we can handle them, or give them out. All volunteers wear full PPE when collecting and donating coats.

There is no reason a child should ever be cold.
