- ☺ The school photographer will be in school on Thursday 17<sup>th</sup> October. **All children** will have their photograph taken separately **and** with siblings who already attend school. There is no obligation to buy the school photographs. Afternoon nursery children will have their photographs taken just after lunchtime. **Please make sure children are smartly dressed in school uniform for their photographs. There is no need for parents to attend as we have classroom assistants to help children get ready for photographs and make sure that they are tidy.**
- ☺ **Year 6 Secondary transfer forms need to be submitted online to the Local Authority by 31<sup>st</sup> October**
- ☺ To avoid queues at the office, letters and money envelopes can either be sent into school with your child where they can pass them on to the class teacher or posted directly into the postbox which can be found on the wall outside the main Reception doors. Please ensure any envelopes sent into school are clearly marked with your child's name, class and what the money is for. We have "school money" envelopes available in the main entrance.
- ☺ From now on, Soccer 2000 after school club can only be paid for online. This will enable us to keep a check on numbers as we can only have 32 children. If you haven't already registered for online payments, there is a drop in session for parents on Thursday 24<sup>th</sup> October at 2.30 pm where a representative from SIMS will be able to help you to register.
