

Sports Premium

Spend 2014/2015

Allocation

£9000 per school + £5 per child (210 full time children) Total = £10,050

Principles

- We aim to provide high quality sports teaching for all full time pupils at Spring Vale Primary School. As a school we have used the sports premium money to provide all teachers with continuing professional development (CPD). This is done through team teaching and planning with highly qualified sports professionals. We will also provide sporting opportunities during lunch times and after school which will complement the provision we currently offer. The sports premium will also allow us to enter more children into competitions both within school and against other schools. Constant and consistent assessment of the impact of the sports premium will take place by the Head teacher and the PE co-ordinator.

Provision

- Reception Soccer 2000

Monday 9:15-10:15 = £29 x 39 weeks = £1131

- Gym and Dance with Laura Kelby – Y1/Y2/Y3/Y4/Y5/Y6 + 2 after school clubs per week

Friday 9:15-3:15 = £120 x 39 weeks = £4600

Team teaching and planning with teaching staff

- Sports Plus – Y5/Y6

Monday 1:15-3:15 = £100 x 39 weeks = £3900

Team teaching and planning with teaching staff

This will include inter school competitions and external competitions organised on a regular basis

All children in school will be offered three after school clubs per year through the sports premium these are street dance (half term) – multi skills (half term) – gymnastics (half term)

Total Spend = £9631

Remainder of Sports Premium will be spent on further resources and CPD = £419

We have also released teachers to speak with the professional coaches in order to impact on planning and the delivery of these sessions. This spend will impact on all children in the school.
