

SPRING VALE PRIMARY

TOGETHER EVERYONE ACHIEVING MORE

DATA COLLECTION SHEETS

It is very important that data collection sheets and consent forms are returned to school, even if there are no changes. If you haven't yet returned yours, please do so by Wednesday at the very latest.

FLU VACCINES

We have had some enquiries regarding the flu vaccines in school. These are carried out by Vaccination UK and will be done in school on Wednesday 18th November. Approximately two weeks before that date, all parents will receive a consent form which will need to be completed and returned to school. The vaccine is given as a spray which is squirted up each nostril. More information can be found on <https://www.nhs.uk/conditions/vaccinations/child-flu-vaccine/>

As parents, it is entirely your choice as to whether your child is vaccinated against flu and please rest assured that we would never allow a child to be vaccinated without parental consent.

UPDATE ON YEAR 1 AND 2 AUDIO SCREENING

Please note that the School Nursing Team **will not** be completing the Year 1 audio screening (hearing tests) this year and unfortunately will not be able to catch up with any that were not completed in Year 1 last year. If parents have a concern about their child's hearing please contact the school nursing team.

POLICY UPDATE

Following updates to the PSHE curriculum, we have updated our SRE policy for this academic year. You will find this policy on the following link:

https://b5b913f4-e615-40d5-81a8-c590178fb538.filesusr.com/ugd/e5b70e_aee48fba34dd4509a84ade362daa011d.pdf

If you have any questions regarding the updated policy, please email school.

HARVEST DONATIONS

We have been overwhelmed by your generosity with donations to our harvest collection for the homeless shelter - thank you for your wonderful support. On a personal level, harvest time is very important to me and my family. My grandparents were farmers and I can remember helping out around the family farm at harvest time. I was able to share my memories with most of the children today. When I was 16 I chose to complete my work experience at The Good Shepherd shelter for the homeless, working in the soup kitchen. That week changed my life forever and I know that your donations will go a long way to help the most vulnerable people in our city. Today has reminded the staff, children and hopefully yourselves why our school is so special. Have a lovely weekend. Mr Blunt
