REPORTS TO PARENTS

Look out for end of year reports for Nursery to Year 5 next Friday. These will include attendance, academic year planners for 2023/2024 and assessment data for those year groups who have taken them.

Due to the Year 6 SATs results not being released until 11th July, the Year 6 reports will not be sent out next Friday. They will be sent to parents on 11th July once the results have been received.

INDUSTRIAL ACTION / UNION STRIKES

School will not be affected by industrial action, we can confirm that we are open for all children on Wednesday 5th and Friday 7th July.

It is with great sadness that I finish this weeks newsletter with the news that John Parker, an outstanding member of our community, governing body and Spring Vale family, passed away at Compton on Saturday 24th June surrounded by his family.

John Parker was truly a magnificent human being. He was a governor at the school for almost 30 years making a difference to the lives of thousands of children and families.

This week would have been one of John's favourite weeks in school. He was passionate about residential visits and accompanied the children on their visits to Towers for nearly 20 years. He would book time off work in order to do this. He also helped to run a number of sporting teams and would referee the school football matches. But his favourite thing was contributing towards the athletics team and he was always on the finish line at sports days. It seems a remarkable coincidence that in the week he passed away, we had both sports days and residential visits.

John was an honourable, kind and friendly human being and every time I ever met him, you always got the same John Parker. Personally, I was very proud to call him my friend. I will try, in my life, to be a little bit more like John Parker.
